About

UK PSTI

Product Security and Telecommunications Infrastructure Act 2022

The PSTI Act aims to enhance security of consumer connectable product on the UK market. The PSTI requirements are mandatory from April 29th, 2024. All applicable Liftmaster & Chamberlain products on the UK market after the date comply with the PSTI regulation.

Report/Inquiry Security Issues

User can report or request status of issues to PSTI.security@chamberlain.com. Please include the product model number, serial number.

User will receive receipt and status updates of the report/inquiry until the issue is officially resolved and closed.

Security Updates

Security updates can be provided up until the end-of-life date of the applicable products. Please visit Liftmaster Global Homepage (<https://www.liftmaster.eu/en-gb/home>) regarding the support period of the products.

Statement of Compliance (SoC)

UK PSTI Statement of compliance of applicable product can be found under the instruction page of each product link. Please visit Liftmaster Global Homepage (<https://www.liftmaster.eu/en-gb/home>) and search the applicable products for more details.
